## Mrs. Barnes

Congratulations!  
You have worked hard and worked smart this school year! I am very proud of you! Keep working over the summer and practice, practice, practice! See you next year!  
😊

## Ms. Brooks

I want to take this time to say thank you for letting me work with your child this year. Our journey has been filled with many exciting things and adventures. We have focused on reading, math and writing, as well as, making friends, the right choices and showing respect to ourselves and others. We have watched each other grow and learn so much. The best part of the year for me has been to see the sparkle in your child's eyes when they learned something new and the excitement in their voices to hear them tell what they learned. ☺

## Ms. Debenham

Don't forget about our end of the year celebration at 2:30 on May 16th!  
I will be sending home many activities that you can do during the summer next. There will also be information on a summer reading challenge for the students. I have enjoyed each day of this year with your children. Keep learning and working over the summer.

## Miss King

We are working on multisyllabic words (rabbit, mitten, etc) and long vowel words (lake, bike, pie, lead). We are practicing digraphs (sh, ch, wh, th) and blends too. After reading, talk about the book (What was it about? What was your favorite part?).  
I have enjoyed this year so much! Stay awesome and be sure to read every night ☺ Be kind to one another!
