3rd Grade News

What We're Learning About...

In math we are starting to learn measurement!! Please work on facts with your child! It is important for them to know their multiplication facts by the end of 3rd grade.

We learned all about elections in our reading unit. We are working on author's viewpoint and picking out important details from text.

Important Dates:

November 10: No School

Veteran's Day

November 22-24: Thanksgiving
Break

Special Reminders:

The weather is becoming chilly. Please send your child to school with a coat and appropriate shoes (tennis shoes for PE) each day.

Extra Practice

Students have access to Moby Max and the Connected website at home. Log in to these for extra practice and games!
