

Mrs. Shipman and Ms. McDowell's April Newsletter Theme: Growing and Changing

Centers

We have been learning about the stages of butterflies. We will have caterpillars in our classroom and we will get to see the different stages to become a butterfly.

Our centers have been about learning numbers, counting, learning the letters E, I, D, and their sounds. We have been learning how to rhyme and the beginning sounds of words.

We have been having a lot of accidents and we are running out of clothes. Please send extra clothes in your child's backpack.

We strongly discourage wearing flip flops because we are having too many accidents.
