Dear Families,

Can you believe that October is here and it is Fall? Time sure is flying!! In 1st Grade we work really hard on becoming independent. Please work with your child on learning to tie their shoes, zip their coats, and learn personal information (ex. birthday, phone numbers).

In your child's Wednesday folder, you received information on Parent Teacher Conferences. Conferences are a Wonderful opportunity to discuss your child's academic progress! If you have not returned the Conference form, please do so ASAP so we can set up a time to meet with you.

Remember to be reading with your child EVERY night, or better yet have them read to you! Don't forget to record the book in their agenda-found in their G.O. Book. If they read 90% of the month they have a chance to earn 2 prizes! One from Dr. E and a Book It! Thanks for all your support! Remember we are all a TEAM!

As always if you have any questions or concerns, please do not hesitate to contact us via e-mail or at 554-2350.

Have a WONDERFUL Month!
The 1st Grade Team ☺

Here's What we are Learning!

Reading

We are working on reading short vowel words! We will also be focusing on blending and segmenting phonemes. Our stories this month focus on community helpers, pumpkins, and the fall season. Continue to practice reading at home with your child. They should be able to read the Words to Remember in their books.

Math

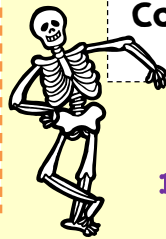

We are ready for Unit 2! We will begin learning strategies for solving addition problems. These strategies will help them become fluent with addition within 20 as the year progresses.

Words to Remember

These are the sight words that your student will focus on in October. Please practice reading these words to help them become more Fluent readers.
