FROM THE TEAM

February is a busy month! Parent/Teacher Conferences are coming up. We look forward to showing you their academic growth from Winter benchmarks. If your time does not work, please contact the school ASAP to reschedule. Students are also encouraged to attend!

Kansas weather has sure been strange lately. Please help by making sure students are dressed warmly for the day by keeping an eye on the weather and wearing heavy coats. Often times our first recess is much colder than our late afternoon one.

Thanks for all you do on the home front!

From the 2nd Grade Team,
Mrs. High, Miss DeCamp,
Miss Whaley & Mrs. Eskandarion

THINGS TO PRACTICE AT HOME

- Fluency practice is now a huge focus in 2nd grade.- our end of the year goal is to read 102 words correct per minute at a 2nd grade level. Practice reading out loud at home as part of the 20 minutes of homework. Fluency is measured by reading smoothly, with good expression, at a good pace, and with accuracy.
