

Mrs. Shipman and Ms. McDowell's Newsletter
January 2013
Theme: Animals

Dear Parents,

We would like to thank our parents for the wonderful Christmas parties! We hope everyone enjoyed the holiday break. This month we will be learning about animals and pretending to be veterinarians. We will also be learning our new letters, beginning sounds, rhyming, numbers, and counting.

Just a reminder that conferences will be coming up in February. Be watching for info to come home in your child's folder.
