

Ms. McDowell and Mrs. Shipman's Newsletter

November 2014

This month we will be working on the letters Nn, Cc Oo. Add these to the letters we have already learned; which are Aa, Mm, Ss, Pp, Tt, & li.

This month we will be working on number identification, counting to 10 and patterns.

We are also continuing to work on rhyming in whole group, and now we are now adding in counting syllables in words. We are working very hard on writing our first names with correct letter formation and using the correct uppercase and lowercase letters. Please continue to work on this at home.

November Reminders

11th- NO SCHOOL

26st - 30th - Thanksgiving Break

The weather is changing!

Please send coats and jackets daily!

Check Folders DAILY!

We would like to thank you for coming to your child's conference. Continued communication is the key to their success in school:)
