May 2015

This month we have been learning about health and fitness. We watched caterpillars turn to butterflies, and planted flowers.

I have sent home letter cards or site words for the kids to practice until the end of the year. I will be testing them next week on those for report cards. All the kids have been doing AWESOME!!! I cannot believe that it is already the end of the school year. It's very bittersweet as I have loved watching the kids learn and grow, and I'm excited for them to go to KDG, yet sad at the same time. Some of my kiddos will still be with me next year, so that is exciting too.

## Reminder

May 15th— ZOO MONEY DUE

May 18th— LAST DAY OF
