FROM THE TEAM

Happy New Year! We hope you found time to relax and recharge as we start the 2nd semester of 2nd grade!

With the “new year” comes a time where several students have lost or need a refresh on school supplies. Please contact your child’s teacher or ask your child if they need new crayons, markers, dry erase markers, or other school supplies. We use these every day!

As always, we appreciate all of your support!

From the 2nd Grade Team,
Mrs. High, Miss DeCamp,
Miss Whaley & Mrs. Eskandarion

THINGS TO PRACTICE AT HOME

- A large part of the 2nd semester is spent mastering adding and subtracting 2- and 3- digit numbers. We will be learning several strategies to add & subtract these larger numbers. This is an easy concept to practice at home too! Please encourage your student to “teach” you the different strategies we have learned. ☺
