Your child should be able to read short vowel words (CVC words), words with consonant digraphs and blends. We are working on reading long vowel words (CVCe). Our stories this month focus around the spring season. Continue to practice reading at home with your child. They should be able to read short vowel words and all their sight words in their books.

Math

We will continue to work on addition and subtraction fact fluency! We will begin looking at fact families. We will also explore attributes of shapes and determine which attributes define shapes.

Picture Day

Tuesday, March 19th is Picture Day!
We will take a Class picture and your child will also get an individual picture taken. Remember to dress your best and bring your SMILE ☺

Thank you for your support and cooperation!
