### Workshop Description:

**This blended learning course is a combination of eLearning, followed by a hands-on skills session. Prior to the class, students will be provided a link to on-line education, allowing the students to complete this portion of the course at their own pace and at their convenience. The skills session is completed in person and incorporates the online education with hands on training.**

**“The eLearning must be completed prior to the day of class.”**

**NOTICE: If you start the online piece of this training and then cancel, or if you aren't able to attend the in-person session, you will need to pay a \$10 fee.**

### About the Presenters:
