MYERS-BRIGGS PERSONALITY ASSESSMENT:

**A Look Into The 16 Unique
Personality Types**

Wednesday, December 6,
2023

8:30 am - 3:30 pm

USD261 does not discriminate on the basis of race, color, national origin, age, sex, disability, or military status, in admission or access to, or treatment or employment in its programs and activities. Any person having inquiries concerning Haysville Public School's compliance with the regulations may contact the Assistant Superintendent for Personnel, Gillian Macias, 1745 W. Grand, Haysville, KS 67060, 316-554-2200.

WORKSHOP DESCRIPTION

All people are wired differently, and lots of times we are blind to our own pitfalls and challenges. The Myers-Briggs Personality Assessment will guide participants through the process of discovering different ways they interact with people, information and life experiences. Gaining insight into some of these traits (extraversion/introversion, intuitive/observant, thinking/feeling, judging/prospecting) can help us have compassion and understanding with ourselves and others. Understanding your personality type will not only help you become a better you, but it will help your relationships personally and professionally.
