

# Ms. McDowell and Mrs. Shipman's Newsletter

## March, 2015

We have been learning about animals.

We have learned number identification 0-10, shapes, and how to count to 20.

We are identifying rhyming words, and beginning sounds. This month we are learning the letters Vv, Jj, Qq.

Your child is practicing writing their name. We are working very hard on writing our first names with correct letter formation and using the correct uppercase and lowercase letters. We are always saying "remember start at the top".
