Fourth Grade News

Issue 1

September 15, 2015

Weather:

The fourth grade teachers allow the students to have a water bottle, with a tight lid, at their desks. Its important to stay hydrated after playing hard at recess.

Field Trip!

Fourth grade is going on our first field trip. We will be enjoying the "Magic of Agriculture" at the Sedgwick County Extension Office on Tuesday Sept. 22nd. We will be learning about the ways Kansas provides for our state and world. The teachers decided to bring the classes back to Riggs Park for a picnic lunch and recess before heading back to school in the afternoon. What a great day!

Agendas

Please take a quick minute to check your child's agenda for any notes from the teacher or homework to be finished.

Dates to remember:

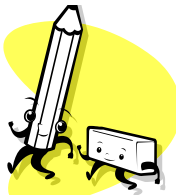

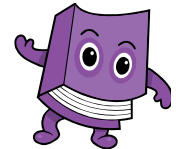

- Sept. 22—Field Trip
- Sept. 25—No School/
Inservice

HOMWORK!!

*Keep reading every night for 20 minutes.

*Math Study Links are sent home most every night. Please go over them with your student for better understanding of the day's lesson.

*Spelling words should be studied for a few minutes each night as well.

"Nobody is perfect—
that is why pencils
have erasers."

Upcoming skills:

Math: Traditional ways and new ways to subtract and add our numbers.

Science: We just finished up discussing Matter. We are now moving on to Forces and Motion.

Reading: Stories that are Expository and Persuasive Fiction will be the focus for the upcoming lessons.
