## 3<sup>rd</sup> Grade News

### What We're Learning About

In reading we are grouped by levels. That means your child's reading teacher may not be their homeroom teacher. This way we can help your child more specifically to their needs. In math we are working on Multiplication Facts and strategies to solve multiplication problems.

In social studies we are learning about all the continents. 😊

### Notes to Parents

We are in need of Kleenexes.

Also, please remember to send your child to school with a HEAVY coat. Gloves, hats, and scarves are a good idea as well! We will not have outdoor recess if the wind chill is below 20.

We will be decorating boxes for Valentine's Day. If you could send a cereal, cracker or any box like that will be appreciated.
