# Description

The ESOL Praxis study group is for those who wish to teach English to speakers of other languages and was created to measure basic teaching and language knowledge. This class will prepare you for the ESOL Praxis test that will lead to your license endorsement once the assessment is passed. This study group is also open to teachers that are already ESOL endorsed and want to revisit this information.

**About the ESOL Praxis:** The ESOL Praxis test is 120 minutes long and has 120 multiple-choice questions including listening questions. In these questions, test takers are able to listen to a recording multiple times and select the best answer. Examinees are expected to show their knowledge and skill of a beginner-level-12 ESOL teacher. Praxis 5362 has six categories of expertise:
