Issue 8

March 26, 2014

Weather:

Weather in Kansas is always unpredictable, but we have hit the Spring season. Please have your child dressed appropriately for the day. Our lunch recess is usually a bit cooler than our afternoon recess. Thank you!

Math, Reading and Science Assessments

Prairie 4th grade students are taking Math, Reading and Science State Assessments through

the month of April. Please try to limit all doctor appointments, if possible, so that missing test days can be avoided.

Your child will test two days for each subject. Please make sure that enough sleep and healthy breakfasts are practiced for the month.

Encouraging your child to try their best is all we ask them to do. We have prepared them as best we can, and have high confidence in their ability to do well!
